

Senate Sustainability Committee

Committee Meeting Minutes: January 19, 2012

General Classroom Building, Room 718

Attending: Debra Cannon, David Caudill, Dabney Dixon, Jeffrey Glover, Steve Harmon, Brenna Helmstutler, Vjollca Sadiraj, Renée Schatteman, Cody Stubben

Visiting: Michael Black, Faidra Papavasiliou

Business:

1. The committee reviewed information its members gathered from the sustainability offices of the Urban 13. Each member presented the information they had gathered and the committee asked questions to gather further information.
2. Faidra Papavasiliou briefed the committee on her work, particularly a research methods class she is teaching the semester. Students in the course will be collecting information from the student body about their interest in sustainability.
3. Michael Black gave a brief update about the upcoming speakers for the GSU Sustainability Forum, formerly the Green Bag Lunch series.
4. The committee discussed the proposal of a campus Sustainability Director. A formal proposal was drafted along with a preliminary job description for the position. Both were approved by the committee after discussion and editing.
