The meeting was called to order at 3:00 PM by the committee chair, Kathryn McClymond.

The committee approved the minutes from its previous meeting.

Dr. Maria Gindhart presented the summary report on the results of the two surveys concerning factors influencing the length of a faculty member's sojourn at the rank of Associate Professor. Following some discussion, Gindhart asked that comments for changes or additions to the report be submitted to her via email by the end of the week. The Equity subcommittee will then combine its report with the report generated by the Human Resources/Benefits subcommittee.

Dr. Elizabeth West reported on the meeting of the SEI subcommittee. West stated that the committee is hoping to propose changes by the end of this Senate year.

McClymond noted that the General Policies subcommittee still needs a chair. McClymond will meet with the subcommittee to identify a chair.

Committee reports were presented:

Administrative Evaluations: George Rainbolt: No updates

Equity: Maria Gindhart: No update beyond the Sojourn at Associate Professor Rank survey

Human Resources/Benefits: McClymond for Russel White: No update.

SEI: West: No update beyond her report on the subcommittee meeting

The meeting was adjourned at 4:00p.m. McClymond met with the General Policies Subcommittee, and Robert King was elected the subcommittee chair.
