Senate Sustainability Committee

Meeting Minutes: October 12, 2016

Learning Studio, Centre for Excellence in Teaching & Learning

Attending in Person: Michael Black, Lauren Curtright, Dabney Dixon, Allen Wilbanks, Trisha Kanan, Ming Luo, Ian Campbell, Daniel Crimmins, Robert Moore, Greg Moore, Sebastian Rand,

Attending via WebEX: Eric Morton, Joanna Wilson, Mary Colleen Joyce, Pamela Gore

Business:

1. Eric Morton provided updates about the use of SharePoint in the Perimeter Campus to share, upload and digitally sign documents. He will check and refer the SPOC for SharePoint to check the feasibility to adopt SharePoint across GSU.

2. The Committee discussed ways to promote recycling on the Campus, including printer cartridge recycling. Flyers and signage will be provided to the Perimeter Campus to promote recycling.

4. Ming Luo talked about email reminders to staff from the Dean’s office to reiterate the importance of recycling.

5. The GSU Sustainability Fee proposal form was discussed as was the need to create awareness amongst existing student groups about the program. The committee discussed the desire for updates on how existing funds were being used by students and the need for faculty advisors for student groups.

6. Eric Morton enquired if the grants can be used for public transportation or concessional MARTA passes. Lauren Curtright will check on alternate transportation and means to improve the same within the campus.

7. Also discussed were paperless exams, online travel reimbursements and sustainability in the Turner field project.

8. The committee adjourned at 10:55am.
