Committee Chair Jared Poley called the meeting to order at 2:01 p.m. and moved directly into  
the first item on the meeting agenda.

AGENDA ITEM #1  
Approval of the Minutes of January 25, 2021:  
A motion was made to approve the minutes as submitted. The motion was seconded and  
carried unanimously.

AGENDA ITEM #2  
FACP Report:  
No report was given as the subcommittee has not met. Next meeting is TBD.

AGENDA ITEM #3  
CPSAC Report:  
Mr. Poley reported that CPSAC met on February 25, 2021, with two main items for  
discussion and approval:

1. Lewis College of Nursing and Health Professions will take over space in the old law  
library in the Urban Life building, a move approved by CPSAC.
2. The Center for Healthy Development will move from another space on campus to the first  
floor of the Urban Life building. The move was approved by CPSAC.
A number of other items regarding utilization of space across the various GSU campuses were discussed at the meeting.

AGENDA ITEM #4
Major Repair and Renovation Priority List:
Mr. Poley directed committee members to the FY2022 Projects ranking list provided in the meeting materials. He explained the ranking and prioritization of the items on the list and how they are identified. He also noted the various committees and groups who have vetted the list and explained that the Faculty Senate would send it forward after its approval. Mr. Poley noted that a committee member had discovered a miscalculation in the Cumulative totals column on the list and said Mr. Vakamudi would redistribute the list after making the correction.

*The Major Repair and Renovation Priority list was submitted and recommended for approval by the Faculty Senate. No second to the motion for approval was necessary since it came from a subcommittee. The list was approved unanimously, with corrections to be made to the Cumulative totals.*

There being no new business, the meeting was adjourned at 2:10 p.m. Mr. Poley noted that this meeting is the final one of the academic year for current Faculty Senate members, and the April meeting will include new Faculty Senate members. Several members were recognized as retiring soon from the University, and well wishes were made to them verbally and via the chat function of the WebEx portal.

Respectfully submitted,
Donna Nichols
